Lift-off

Calmo, Delight and Pressalit 3 are now also available with the clever lift-off function. With lift-off, removing the toilet seat is easy and cleaning the toilet and seat is a snap. After cleaning, the seat clicks easily into place again – now in clean surroundings. It's never been easier to keep the toilet clean and tidy.

The consoles on Calmo, Delight and Pressalit 3 are upgraded to acid-proof stainless steel, helping to ensure that the toilet seats have a long life.
